Please provide brief information on your Organisation’s Apprenticeship Provision History.

City Training was established in 1982 as a training provider offering training to local people and businesses throughout the Southern region. The organisation merged with City College in 2006 to form the City College Group and is now one of the largest training providers in Hampshire. City Training has two sites in the heart of the city, one based at St Mary’s Football stadium and the other in St Mary’s Street, Southampton.

City Training specialises in all aspects of work based learning, providing training opportunities in a multitude of occupational areas. The core activity of the organisation is to provide training through the apprenticeship programmes for young people in the Southern region.

Please detail all awards and accreditations you currently hold and sector/ programme specific Awards. E.g. The Training Quality Standard, Ofsted Grades, e.t.c.

OFSTED external quality review for work based learning– graded “Good”
Currently preparing for TQS accreditation
Matrix accredited as part of the City College Group
Maritime Centre of Vocational Excellence (COVE) for Marine Engineering
Investors in People (IIP) accredited as part of the City College Group
Current self assessment report is a grade 2 (good)
City College Group holds the Basic Skills Agency quality mark
Please provide details of Provision flexibilities that you can offer NHS South Central based on the three priority areas identified across NHS South Central using list of Frameworks attached

City Training is able to offer a full flexibility to the delivery of training requirements. Evening classes, onsite training as well as day and block release are available. Most qualifications are delivered on a “roll on roll off” programme starting when it suits both the learner and the employer. Assessments will be carried out in the work place. City Training also offer the ability to provide assignments through an E-portfolio to reduce the amount of time taken up in the work place, if required. City Training are also able to provide Key Skill

Please list resources required from NHS South Central

For delivery “on site” then a training room will be required.
Mentors for the learners
Commitment to off the job training
Learners will need access to a PC internet connection to enable them to gain support and additional resources required for their training, both through the web and through the City College website

Give details of evaluation plans

Evaluation will be carried out through focus groups, questionnaires, regular monitoring reviews and feedback from key account managers, allocated to the employers as their main point of contact.
