### The Trust and Hospital

**The Trust**  
The Royal Bournemouth and Christchurch Hospitals NHS Trust was formed on 1 April, 1992 and became a Foundation Trust in April 2005.

The Trust provides health care for the residents of Bournemouth, Christchurch, East Dorset and part of the New Forest with a total population of over 550,000, which rises during the summer months.

**The Hospital**  
Opened in 1992 and is purpose built on two levels situated on a large green field site close to the main roads that link with the New Forest, Southampton, Salisbury, Winchester, Christchurch and Poole.

### Size of Hospital(s)

The Royal Bournemouth Hospital is a 690 acute bed site, which includes 272 medical beds, six CCU beds, 7 Intensive Treatment Unit and 8 on the High Dependency Unit.

There is a 24-hour Accident and Emergency Department, which sees around 60,000 patients a year, and a large Day Theatre Unit. A new purpose built 18 bed (four paediatric) Ophthalmic Unit is also located at The Royal Bournemouth Hospital.

### No of Foundation Trainees (2010/2011)
- 31 x Foundation Year 1
- 33 x Foundation Year 2

### Foundation Programmes
Throughout the Foundation years 1 and 2 years we offer a variety of rotations aimed to help you pursue your future careers. In FY1 we aim to maximise the experience and value gained by formulating the rotations to offer a variety of educational opportunities. Many rotations in FY1 provide the opportunity to experience 4 different specialities such as Colorectal surgery, Diabetes and Endocrine, Medicine for the elderly and Cardiology.

FY2 rotations consist of three, four month jobs and it is hoped that you choose the rotations with a view to help you in your application for higher training.

Our aim at the Royal Bournemouth and Christchurch NHS foundation trust is for you to have an enjoyable experience, maximise your learning opportunities and experience to prepare you well for future job applications.
