THE CAMBRIDGE BASIC SCIENCE FRCS (Orth) REVISION COURSE 2010
In association with
The Furlong Research Charitable Foundation

A course to be held on the 17th, 18th and 19th of March 2010
Magdalene College, Cambridge

This is an intensive revision course on Basic Sciences aimed at Orthopaedic trainees preparing for the FRCS (Orth) examination and also for Orthopaedic trainees who are in Year I-IV of training.

The course is designed to provide the trainee with a comprehensive update on all the topics in Basic Sciences that are assessed in the examination. The format of the course includes interactive lectures and mock vivas on all the three days of the course to provide the candidates with ample time to gain knowledge and also to refine their examination technique.

Candidates are encouraged to apply early as places are limited and those sitting the examination in May will be given preference.

Suitable for: Candidates appearing for the FRCS (Orth) exam (24 spaces only, therefore book early to avoid disappointment) and SpRs in Training from Year 1-4.

Course Fee: £400 (For Candidates appearing for the exam and who will be registering for Vivas), £250 (For Lectures only - Year 1-4 SpRs)

10% discount for Furlong members. To become a member please log onto www.frcf.org.uk
