Cuff Tear Arthroplasty Learning Centre
Intermediate / Advanced

22nd - 24th June 2010 - Stockholm, Sweden

This well established Learning Centre has been running for more than 10 years and it’s tradition continues in 2010 with a highly experienced surgeon faculty. The lectures will focus on complex shoulder indications, design rationale, surgical technique and practical tips and tricks. Furthermore the course will also cover shoulder fracture management and complications. In addition there will be case discussions, sawbone workshops and live surgery.

Venue and Registration
The Learning Centre will be held at the St Goran’s Hospital and the Radisson Royal Viking Hotel in Stockholm, Sweden. The registration fee for this meeting is £300 (non-refundable). In order to register please complete the attached registration form in full and return to your local DePuy Representative, together with your cheque made payable to DePuy International Ltd.

All DePuy Professional Education courses are facilitated and supported by a distinguished faculty of international orthopaedic surgeons. The latest information regarding the invited faculty and any other details concerning this course can be viewed on www.do-surgery.com from mid February 2010.

Faculty: Approximately 4 to 5
CME: Approximately 26 CME Credits
