Expenses Policy for Consultants Interviewing for Medical or Dental Training Programmes

1. Key Principles

- This policy applies to all consultants interviewing for a medical or dental training programme for a post in England, regardless of specialty or training grade
- Claims for reimbursement should initially be made to the claimant’s employer; claims should only be made to HEE if the claim is refused by the employer. **Claimant’s will be required to provide evidence that their employer has refused their claim**
- Recruiters will ensure compliance with this policy and will only reimburse expense claims which fall in line with it
- Expense claims must be received by the appropriate recruitment team no later than 28 calendar days after attendance at the interview. Claims received after this time will not be processed.
- Dental panel members should ensure that they keep a copy of their expense claim form before submitting it. For all claims (medical and dental) copies of any receipts must be retained
- Role player expenses are **not** to be claimed using this policy

2. Travel

Where travel is required, this should be by the most cost effective and appropriate means. Public transport should always be considered first; however, it is recognised that there are times where it is not possible to use public transport.

2.1 Train

- Train tickets should be booked as far in advance as possible
- Travel should be standard class only, unless a like for like first class ticket can be purchased at a cheaper rate than standard class on the same date/time. In this instance, evidence of this should be attached to the expense claim

2.2 Travel within London

- Congestion charge **will not** be reimbursed
- Underground costs will be reimbursed if using an Oyster Card and the card is registered and a printout can be provided; **or**
- Where contactless payment is used and a copy of a bank statement can be provided to show the payment
- Underground paper **day tickets** will not be reimbursed
2.3 Taxi

- Taxi fares will only be reimbursed where there are no other forms of public transport to and from the location of the interview

2.4 Flights

- Flights within the UK will only be reimbursed where proof is provided that it is the cheapest mode of transport
- Flights from outside of the UK will not be reimbursed

2.5 Use of Personal Vehicles

- Mileage will be reimbursed between home address and interview venue and return at 45p per mile
- Mileage claimed will be checked to ensure that it is correct
- Parking costs will be reimbursed upon production of a valid receipt or parking ticket
- Toll fees will not be reimbursed
- Reimbursement of any penalty imposed under the Road Traffic Act incurred whilst travelling to interview will not be paid

3. Subsistence

3.1 Daily Meal Allowance

- Meal allowances are payable where the interviewer is away from their base for more than five hours on official business
- Where lunch is provided by the recruitment office at the interview venue, a separate claim for lunch allowance is not payable
- Evening meal allowances can be claimed where the interviewer is away from their base for more than 10 hours, and unable to return to their base or home by 7.00pm
- Only one of the following can be claimed:

<table>
<thead>

</thead>

Away from base for more than 5 hours and more than 5 miles from base: Daily meal allowance up to £5.00

Away from base for less than 5 hours and less than 5 miles from base: No meal allowance payable

4. Overnight Accommodation
   - Overnight accommodation will be reimbursed
   - When booking accommodation, the most cost effective and practical option should be used. The limits set out in this policy are maximum amounts; it is expected that, where possible, accommodation is sourced at a lower rate than the stated limits
   - For overnight accommodation within London, the overnight rate should not exceed £150 per night.
   - For overnight accommodation outside of London, the overnight rate should not exceed £120 per night.
