SPECIALTY TRAINING PROGRAMME IN IMMUNOLOGY IN HEALTH EDUCATION ENGLAND - WESSEX

Study and Training

The primary aim of all posts is to deliver the training programme and there are minimum standards of education agreed by all Trusts within the rotation. All posts within the training programme are recognised for postgraduate training by the General Medical Council (GMC) in accordance with their standards for training.

Health Education England - Wessex is committed to developing postgraduate training programmes as laid down by GMC, Colleges and Faculties and by COPMED - the Postgraduate Deans Network. At local level college/specialty tutors work with the Programme Director and Directors of Medical Education in supervising these programmes. Trainees will be expected to take part in these programmes (including audit) and to attend meetings with their nominated educational supervisor.

Study leave is granted in accordance with Deanery/Trust policy and are subject to the maintenance of the service.

All posts have a service element and the following covers the majority of duties. There will be minor variations in different hospitals but the list is aimed at covering the majority of duties:

1. Liaise between nurses, F1/2 doctors, patients, relatives and senior medical staff.
2. Should be involved in laboratory training, audit and result authorisation.
3. Attend and participate in ward rounds as timetabled
4. Attend outpatient clinics.
5. Dictate discharge summaries.
6. Study for higher examination and maintain continued professional development.
7. Attend weekly educational and multidisciplinary sessions.
8. Undertake audit at various times throughout the rotations.
9. Teach medical students as directed.
10. Co-operate with members of the personnel department when monitoring hours of work and other personnel issues.
11. Attend induction in each hospital or new department
12. Comply with all local policies including dress code, annual and study leave
