### The Trust and Hospital

The General Hospital is our main hospital which includes the Accident & Emergency Department.
The hospital is situated in the centre of St Helier, just minutes from the town centre.
Overdale Hospital is our rehabilitation hospital and is about 15 minutes walk from the General Hospital. Psychiatric Hospital Queen’s House is located in St Saviours’ Parish about 15 minutes drive.
Jersey is the largest of the Channel Islands and is only 14 miles from France. We have long sandy beaches, with great surfing and beautiful countryside. The hospital is a five minute walk from the coast.

All staff appointments are made subject to the receipt of satisfactory references and all initial appointments to the national health service are made subject to satisfactory medical and police clearance being produced. A medical examination may be necessary on initial appointment and periodically thereafter.

Rotation information  
Full information about the rotation, location and content of placements is given in an accompanying document.
### Induction/shadowing
All trainees have induction for 1 day at the start of Foundation year this includes Departmental Induction. There will be a period of 5 days of shadowing for F1s prior to commencing their first posts. During the shadow period F1 trainees are expected to complete their ALERT and mandatory training. Follow up assessments will be performed. ALS is also offered to F1s.

### Start date
(Usually first Wednesday in August)

### Salary
The salary scale is in accordance with the current national rate and placement within the scale will be in accordance with previous reckonable service.

### Annual leave
F1 doctors are entitled to 27 days annual leave in the year. The 27 days entitlement does not include the 8 statutory holidays. If the foundation doctor works any part of a bank holiday they are entitled to an additional days leave in lieu. In some specialties there is some restriction on when foundation doctors can take their leave during the 4 months (e.g. not on their ‘hot week’ for surgery). The individual directorates will inform the doctor of any specific restrictions on when they can take leave. Foundation doctors are required to book their leave at least 6 weeks in advance via the relevant Practice Manager.

### Visa/Work permits/Leave to remain
The Trust will consider British /EEA nationals for appointment in the first instance. If the applicant is a non-resident of the United Kingdom or European Economic Union, they are required to have a valid work visa and leave to remain in the UK, which is renewed as required. The Trust is unable to employ or continue to employ the applicant/post holder if they require but do not have a valid work visa and/or leave to remain in the UK.

### Partners of Junior doctors moving to Jersey
Where trainees are planning on moving to Jersey with their partner we recommend that they research accommodation costs and possible available employment options for their partner. Many other employment in Jersey is restricted to residents who have lived in jersey for 5 years or longer and this can make it difficult to find employment. Employers that have restrictions on who they can employ may make an application to the Social Security department for a Registered permission.

### Accommodation and Charges
Please contact the Accommodation Manager on 01534 442173

### Staff Restaurant Facilities
There is a large canteen/restaurant and Special Functions room in the main hospital which serves excellent food. The
menu is changed daily with a good selection of hot meals and salads. Also in situ is a friendly snack bar which is highly recommended for their sandwiches, and yoghurt pots. In the main reception area we have a coffee/snack bar open to all visitors.

| Doctor’s mess | The Doctors Mess is situated at the corner of the hospital, it consists of a Snooker Room, and Television Lounge with flat screen television and video, fitted Kitchen with cooking utensils and Computer room with Broadband. *(The mess is being renovated at present).* |
| Local Amenities | The Hospital is close by to the Fitness First centre, which includes a swimming pool, weight training and various keep fit equipment. There are quite a few private fitness centres attached to hotels which you may prefer to join. Close by to the Hospital is the Waterfront where there is a cinema, various clubs, night spots and restaurants. The night life in Jersey is excellent for young people, with many clubs to visit. Jersey is famous for its restaurants; we have French, Italian, and Thai, Chinese, Indian, Polish and Portuguese restaurants. |
