‘The Language of Leadership:
finding your own voice’

A professional development programme designed for and by you

For doctors in training and new consultants (ST1/CT1 to CCT+2)

Create your own professional identity as a leader, and communicate with authenticity and impact

A new NHS Leadership Academy supported, flexible programme delivered through five one-day sessions over 2-3 years

‘Language of Leadership – Leadership Essentials’ (first event January 2019) is a compulsory one-day introduction to the programme including thinking about communication shapes team culture, and the impact of the leader’s language and communication style on team performance.

This day is followed by a minimum of four of the following modules (module dates are offered at ‘Language of Leadership - Leadership Essentials’):

**Module 1:** Is it Just me? Working with Different Personality Types
**Module 2:** Playing to your Strengths
**Module 3:** Challenging Situations and Difficult Conversations
**Module 4:** Personal and Team Resilience
**Module 5:** Communicating with Assertiveness
**Module 6:** Giving and Receiving Feedback: Creating a No-Blame Culture
**Module 7:** Delegating without Abdicating
**Module 8:** Sustainable Change Management

All days will begin with registration from 9:30am (to start promptly at 10am) and finish at 4pm
