Think Frailty Following a Fall
Lucy Lewis, Trainee Consultant Practitioner

Doris was referred to the Care Navigator and received:
- Support with care
- Linked into the local lunch club
- A Comprehensive Geriatric Assessment from the Frailty service

One of the 122 people 70+ years who fell & and came into our Minor Injuries unit

Could Frailty have played a part? How would we know?

If we knew, what could we do differently to get a better outcome?
