Annual Appraiser Refresher Course 2009

An opportunity for all appraisers to gather, share experiences, Revive and Refresh!

We are lucky to have the wonderful Carey Manor and SenSpa as the venue for our development and networking time this year. Last year we ran four similar events across all the different PCT areas but now we want to cross fertilise ideas and achieve greater consistency.

The morning is designed around some of the current hot topics for us all as appraisers:

- Readiness for Revalidation
- The latest thinking on the guidance we should give on evidence
- How to produce more professional Form 4s and PDPs
- A launch of our exciting new mentoring pilot.

The afternoon is designed for networking within and between appraiser support groups.

This is THE event which brings together, in one day, synopses of current learning from almost all the other appraiser training events and more appraisers than anywhere else. If you cannot attend anything else all year, come to this.

**Thursday October 1st**  9am – 5pm

Careys Manor & SenSpa, New Forest, nr Lyndhurst  

Please contact Sanga Burrough  
Email: sanga.burrough@nesc.nhs.uk  or phone: 01962 718573

Note: these courses require full attendance to work successfully. We advise that you check with NESC prior to arranging locums etc.
