Are you and Allied Health Professional working in Primary Care in the Wessex Region and would like to develop your career in Advanced Clinical Practice?

HEE Wessex Primary Care Training Hubs are delighted to be able to offer funded places on the PGDip Advanced Clinical Practice at Bournemouth University.

Units included are:

- Advanced Practice: Contextual Issues and Professional Development
- History Taking and Physical Examination for Advancing Practice
- Assessment, Critical Reasoning and Decision Making for Advancing Clinical Practice
- Independent and Supplementary Prescribing
- Advanced Practice Portfolio

What’s involved?

- The programme involves a commitment to attend 36 days at the University over the duration of the programme in addition to independent study.
- HEE Wessex Primary Care Training Hubs will provide funding for all tuition fees, but are unable to provide funding for staff backfill.
- Applicants must be providing NHS services in a Primary Care setting for a minimum of 25hrs per week; Have the full support of their employer; Hold a Bachelors degree (min 2:2) or equivalent and have a minimum of 3 years post-registration experience.
- As the programme includes Independent and Supplementary prescribing, applications can only be accepted from eligible AHPs (Paramedics, Physiotherapists, and Podiatrists) who must have access to a Designated Medical Practitioner (DMP).
