Booking onto courses in pairs

Some courses have to be booked in pairs, i.e. two places have to be booked at the same time. These courses have this message ‘Delegates must be booked on this course in pairs.’ written underneath the course title.

Click ‘add to cart’.

This will take you to the ‘Shopping Cart’ Page

Select the person you wish to enrol on a course from the dropdown list and click ‘add to cart’.

Once a person has booked onto a course, a second person must also be booked onto the same course. Click ‘add to cart’.

Once another person has been added, it will be possible to proceed to the checkout. Please note that if both bookings are not confirmed within 15 minutes, they will be null and void.
