Synthes Advances in the Surgical Management of Upper Limb Trauma

21 May 2010
Rose Bowl
Botley Road
Southampton
Hampshire
SO30 3XH
Course Objectives
The Advances in the Surgical Management of Upper Limb Trauma Symposium is aimed at senior registrars and consultant orthopaedic surgeons with an interest in upper limb surgery. A mix of case discussions, clinical presentations and practical workshops should enable an interactive and varied programme. Covering clavicle, proximal and distal humerus, proximal radius and distal ulna and radius the programme will be of interest to all upper limb experts.

Chairman
Mr David Warwick  
Southampton University Hospitals NHS Trust

Invited Faculty
