Reduced Rate Available for Specialist Registrars!
The Osteoporosis Conference 2009 will be taking place from 28 June - 1 July 2009 and will be held for the first time at Manchester Central in the heart of the lively city centre. The conference will once again offer a high quality programme, plenty of networking time away from conference sessions and a large exhibition. Register now to find out about the latest research, get the best practical information, update your knowledge, share experiences and discuss all the exciting developments currently influencing the field.

Who Should Attend?
Below are just some of the health professionals and academics who should consider attendance at the Osteoporosis Conference 2009 essential:
- Rheumatologists • Endocrinologists
- Gynaecologists • Radiologists
- Orthopaedic Surgeons • Elderly Care Specialists • GPs • Osteoporosis Specialist Nurses • Hospital Nurses
- Practice Nurses • Research Nurses
- Physiotherapists • Radiographers
- Bone Density Technicians
- Academics and PhD Students
- Non-clinical Scientists

Conference Programme Information
The busy conference will include:
- Educational Update covering key osteoporosis topics including Pathophysiology of Osteoporosis (Stuart Ralston, University of Edinburgh), Investigation of Osteoporosis (Nicola Peel, Sheffield Teaching Hospitals), Fracture Risk Assessment (Ignac Fogelman, Guy’s Hospital), Treatment of Osteoporosis (Mike Stone, Llandough Hospital), Falls Update (Marion E T McMurdo, University of Dundee), Fracture Management of Osteoporosis (Chris Moran, Queen’s Medical Centre).
- Invited Presentations from key UK and international experts on the following topics: Vitamin D (Reinhold Vieth, University of Toronto and Mount Sinai Hospital), Osteoporosis in Children (Nick Bishop, Sheffield Children’s NHS Trust), National Osteoporosis Society Update (Roger Francis, Newcastle University), New Horizons in the Hormonal Treatment of Osteoporosis (Michael McClung, Oregon Osteoporosis Centre), Male Osteoporosis (Eric Orwoll, Oregon Health and Science University).

Osteoporosis - the Basic Facts: an introductory session covering a range of topics.

Practical and interactive workshops on the following topics:
- The Role of the Osteoporosis Specialist Nurse – the UK and US Perspectives
- Improving Hip Fracture Care
- Cancer-treatment-induced Bone Loss
- Development of Osteoporosis Services in Primary Care
- Practical Steps for Implementing Osteoporosis Guidelines
- Osteoporosis in the Young Woman
- Reporting and Interpreting DXA Scans
- Non-Pharmacological Management Strategies - A Review of the Evidence
- The Place of Monitoring: A Debate
- Acute Ortho-geriatric Ward Round
- Developing Secondary Prevention Services
- Treatment of Osteoporosis with Bisphosphonates: Prevention of Side Effects
- Managing Osteoporosis in Patients with Renal Disease
- Vertebral Fracture Assessment: Is this the End-plate?
- Management of Secondary Osteoporosis
- Lifestyle Approaches to Osteoporosis

Company-sponsored educational satellite sessions with expert speakers.
A busy exhibition and poster viewing area.

The Royal College of Physicians has awarded 18 CPD credits for attendance at the full conference.

Exhibition and Sponsorship
As the UK’s largest and leading osteoporosis event, the Osteoporosis Conference 2009 will be the place for participants to discover new information on products and services. Exhibition and sponsorship packages are still available to enable companies to successfully raise awareness, build relationships, generate new prospects and showcase products and services. For more information contact us at the details opposite or download the Exhibition and Sponsorship Prospectus from www.nos.org.uk/conference

The National Osteoporosis Society is a registered charity no. 1102712 in England and Wales, no. SC039755 in Scotland and registered as a company limited by guarantee in England and Wales no. 4995013.

**On-site Surcharge (after close of pre-registration on 19 June 2009).** **£210**

---

**Which Fee?**

**Member registration fees** are available for National Osteoporosis Society professional members (with membership fees fully paid and up-to-date at the time of registration).

**Non-Member registration fees** are available for those who are not professional members of the National Osteoporosis Society at the time of registration. Non-Member registration fees include 6 months’ professional membership of the National Osteoporosis Society valid from the date of the conference. See www.nos.org.uk for further Professional Membership details.

**Reduced Rate registration fees** are available for trainee doctors (up to and including Specialist Registrar or GP Registrar level), nurses, physiotherapists, radiographers/bone density technicians, other AHPs, students and academics including post-doc students, post-doc fellows, clinical research fellows and lecturers (below the level of Reader or Professor). Certification from your supervisor/head of department is required to qualify for student status. Provision of a GMC reference number will be sufficient to qualify for trainee doctor status.

**Standard Rate registration fees** are applicable for all other categories of attendee, including fully-trained hospital doctors and GPs, academics (at or above the level of Reader) and corporate delegates.

Pre-registration is available until 19 June 2009. Full conference bookings after this date may be made on-site at the conference and an **On-site Surcharge** will be payable. One day conference bookings cannot be made on-site.

**Registration Fees Include**

- Access to all conference sessions, workshops and sponsored satellites
- Access to poster area
- Access to the commercial exhibition
- Conference Handbook (to include Educational Update papers)
- Abstract Issue of Osteoporosis International
- Mid-session refreshments and lunches as per the conference programme
- 6 months’ professional membership of the National Osteoporosis Society is included in the non-member conference fees
- Welcome reception on Monday 29 June (not included in day registration fees)
- Conference Dinner on Tuesday 30 June (not included in day registration fees)
- Day Delegates can book Conference Dinner tickets via the registration form.

**Payment**

Registration fees are payable strictly in advance of the 19 June 2009 registration deadline. Please complete the enclosed registration form with your credit card details or enclose your cheque payment (made payable to National Osteoporosis Society) with your form. UK delegates may also request an invoice (to be paid by 19 June), but please note that we are unable to invoice overseas organisations. Overseas delegates are requested to send advance payment with their registration.

**Cancellations**

Substitutions may be made at any time but please inform UniversalProcon in writing of a change of name. If you find it necessary to cancel the registration completely, please notify UniversalProcon in writing immediately. For cancellations received by 15 May 2009, a full refund will be given less a 20% administration charge. It is regretted for registrations cancelled after 15 May 2009 or for no-shows at the conference, 100% of the full fee will be payable. In the unlikely event that the National Osteoporosis Society shall deem it necessary to cancel the conference, all pre-paid registration fees will be reimbursed. The National Osteoporosis Society shall not be liable for reimbursing the cost of travel or accommodation arrangements made by individual delegates.

9 Data Protection, Permissions and Confidentiality

The National Osteoporosis Society (the data controller) and UniversalProcon (the data processor) use the data provided on this form for the purpose of arranging your attendance at the 2009 Osteoporosis Conference. Delegate names and organisations (but not full addresses) will be included on a list of participants, to be distributed at the conference. Information about the event will be sent to registered delegates by mail, email, fax and telephone. By registering for this conference you agree to the National Osteoporosis Society using your data for this purpose.

- The National Osteoporosis Society may contact you to keep you informed of future activities, events, appeals and promotions. If you are NOT happy to be contacted, please tick this box.

- The National Osteoporosis Society can raise extra funds by occasionally inviting carefully selected partner organisations and charities to write to our supporters. If you would NOT like to receive these, please tick this box.
