The Trust and Hospital

Basingstoke and North Hampshire NHS Foundation Trust

Basingstoke and North Hampshire Hospital was awarded Foundation status in 2006. It has been highly rated for many years with three star performance. The hospital is widely regarded as a centre of excellence with an innovative culture and excellent clinical outcomes and training opportunities.

The Foundation Trust is one of only 12 Trusts to receive an Excellent / Excellent rating for two consecutive years. It is highly rated in patient and staff national surveys and has been in the CHKS Top 40 hospitals list for six consecutive years. Delivery on 18 weeks, four hour targets and very low infection rates are among many exceptional achievements.

The Foundation Trust has three clinical divisions, each with a Consultant Director. The Hospital is run by divisional leadership teams who are responsible for performance and targets.
BNHFT is the national centre for pseudomyxoma and a tertiary referral centre for hepatobiliary and colorectal surgery. There is an active high quality coronary and peripheral angiography service. Basingstoke also houses the regional centre for haemophilia.

The Foundation Trust prides itself on its excellent infection control record, and had only 3 MRSA bacteraemia in 2008/09 of which only 2 were hospital acquired. This was against an external target of 12 cases. The organisation always sees external targets as the minimum allowable standard and aims to do much better than simply meet the external minimum. There were 64 hospital acquired C-Diff cases against a target of 125 in 2008/09.

### Foundation Programmes

There are 30 F1 posts. 24 consist of six months medicine, three months surgery and three months orthopaedics. Six posts consist of six months medicine and six months surgery.

The F1 programme at Basingstoke will start helping to equip you with the skills you need throughout your professional career.

* * *

There are 18 F2 posts with each trainee spending four months in general practice with a further two four month appointments in medicine, surgery, paediatrics, critical care, emergency department or ENT.

The F2 programme covers the management of the acutely ill patient and the development of core generic skills such as communication, handling patient’s relatives and professionalism.

Each trainee is allocated an Educational Supervisor and one of their roles is to provide counselling and mentorship for their trainees.
| **Teaching Programme/ Educational Sessions** | For F1s there is a comprehensive weekly teaching programme on Friday lunchtimes together with a series of workshops including pharmacy and careers advice.

For F2s there is a fortnightly programme of teaching, which is both lecture based and hands on. As with F1s there are also workshops including careers advice and pharmacy |
| **Study Leave and Taster Opportunities** | F1s are entitled to eight taster/educational days per year which can be broken down into half days should you wish to do so. There is a comprehensive list of opportunities ranging from days out with the Ambulance Service to theatre time watching a variety of innovative surgical procedures |
| **Careers Advice** | Deanery workshops plus local advice |
| **Foundation Programme Director(s)** | Mr Tony Ward – Director of Education
Dr Salah Matti – Foundation Programme Director |
| **Education Centre Facilities** | The Postgraduate Department is based in the ARK, a multi-disciplinary centre of excellence. There is also a comprehensive library, which has 24 hour access and IT facilities and with close links to Southampton University Medical School |
| **Accommodation and Charges** | Our new accommodation at The Square offers………

Each flat contains four individual en suite bedrooms.

Residents share a fully furnished and spacious kitchen diner, which benefits from regular cleaning by our housekeeping team.

Our charges are very competitive - only £401.77 per calendar month - including Broadband, council tax and utilities. |
| **Staff Restaurant Facilities** | Rendezvous Restaurant  
Blue Café Bar – ARK  
Costa Coffee  
WH Smiths |

<td><strong>Doctor’s mess</strong></td>
<td>There is an active Doctors Mess with facilities for tea, coffee and snack making and a regular delivery of newspapers and magazines. It also has a pool table, dart board, computer games and internet access. Regular outings and social events are organised by the Mess President and committee members including annual summer and winter balls</td>
</tr>
<tr>
<td><strong>Local Amenities</strong></td>
<td>Basingstoke is close to London, yet still within easy reach of the countryside and coastline. The town centre has a wide range of restaurants, bars, theatres and a shopping centre with more than 100 shops. It also has several multi-screen cinemas, gyms, a bowling alley, an ice rink, two swimming pools a nightclub and museum</td>
