1st Multi-disciplinary Leadership and Quality Improvement Conference

28 June 2012
Holiday Inn Winchester

- Are you interested in improving patient care in your service by making changes?
- Do you have ideas but lack the know-how to put them into practice?
- Are you just curious about what quality improvement is?
- Have you already started to shape the future direction of the service in which you work?
- Could you be a leader of the future?

If the answer to any of these is YES! Then this conference is for you!

Open to ALL NHS staff regardless of background and experience

The day will include:

- Speakers from multiple health professions
- Choice of workshops to include practical tips in quality improvement
- Presentations and posters from any healthcare professional who has implemented change in their workplace.

Delegates are invited to submit an abstract of up to 300 words on an initiative they have been part of in their workplace to facilitate change and improve patient care. What was the case for change? How did you measure success? Is the initiative transferrable to other areas?

**DEADLINE FOR ABSTRACT SUBMISSION 20 April 2012**
To submit an abstract please email: toni.a@doctors.org.uk
