A CAREER IN CARDIOLOGY

Friday 18th October 2013
Royal College of Physicians, London

A comprehensive one day course for all research fellows, junior and middle-grade doctors aspiring to become recognised Cardiology Trainees.

An expert faculty will guide you on:

- Navigating the selection process for ST3 Cardiology posts in 2014
- CV preparation and completing application forms to enhance your chances of being shortlisted
- Optimising performance in specific ST3 interview scenarios
- The importance of postgraduate cardiovascular research
- Current and emerging concepts in Interventional Cardiology, Cardiac Imaging, Electrophysiology and Devices and Heart Failure
- The role of the British Cardiovascular Society in education and training

Course Directors:
Dr Aung Myat
Prof Tony Gershlick
Prof Simon Redwood
