### Jersey General Hospital, States of Jersey

**Address**
Jersey General Hospital,
Harvey Besterman Education Centre
Peter Crill House, Gloucester Street
St Helier
Jersey, JE1 3QS

**Website**

**The Trust and Hospital**
The General Hospital is our main hospital which includes the Accident & Emergency Department.
The hospital is situated in the centre of St Helier, just minutes from the town centre.
Overdale Hospital is our rehabilitation hospital and is about 15 minutes walk from the General Hospital,
Psychiatric Hospital Queen’s House is located in St Saviours’ Parish about 15 minutes drive.
Jersey is the largest of the Channel Islands and is only 14 miles from France. We have long sandy beaches and a rich countryside, with scenic views. The hospital is a five minute walk from the coast.

| No of Foundation Trainees | 14 x Foundation Year 1  
12 x Foundation Year 2 |
|--------------------------|------------------------|
| Foundation Programmes    | FY1  
3 x 4 month blocks in Medicine, Surgery/Trauma & Orthopaedics/ENT  
FY2  
3 x 4 month blocks including exposure to acute specialties, ITU/Apneuthetics, Obstetrics & Gynaecology and Paediatrics |
| Allocation process F1    | Based on applicant scores during the national application process and expressed order of preference of rotation; Wessex Foundation School allocates all foundation doctors to a 1 year rotation prior to the start of the Foundation Programme. |
| Allocation process F2    | Following the F1 – F2 matching process the trust allocates F2 rotations by selection: Firstly the F2 apply for the rotation they would like supported by a letter from their Educational Supervisor. E-portfolios are reviewed by the FPD. Interviews will then take place with DME, FPD, ECM and Med Staffing present, After selection the rotations will then be offered. |
| Teaching information     | F1 teaching is undertaken every Wednesday in the Harvey Besterman Education Centre for 1 hr. F2 teaching on a Wednesday 2hr sessions. This is a Bleep free period. 1 hr Radiology/Xray Teaching on Tuesday. Trainees will be expected to maintain their personal e-portfolio on Hours. This is to ensure they record their competences and development. Trainees are expected to attend 70% of the training sessions provided. Communication within the trust environment is carried out via email so a reliable email address is essential. |
Applicants who wish to visit the General Hospital and view the accommodation: Please contact Patricia Gettens on 01534 or p.gettens@health.gov.je for further details. |
| Foundation doctor forums | Wessex Foundation School encourages foundation doctors to contribute to, and participate in various forums. At school level we have an F1 and F2 representation on their Junior Doctors Forum and also on the Postgraduate Medical Education Committee Board. Additionally, there |
Educational and Clinical supervision

An educational supervisor is allocated to each foundation doctor for the full two years of their Foundation Programme to maintain an overview of development and progress of the doctor within the training programme. Foundation trainees are allocated a clinical supervisor for each four month post who will supervise the trainee in consultation with the Foundation Programme Director. An educational agreement will be completed at the initial interview of each post. Mid point reviews are required in each post.

Flexible training (Less than full time)

Wessex Foundation School’s policy can be found at: www.wessexdeanery.nhs.uk.policies.

Study Leave and Taster Opportunities

Study leave is only permitted during the F2 year and is not available during F1. Special arrangements can be made for F1 doctors who wish to arrange career “taster” sessions during the last four months of their F1 year.

Courses

- ALERT & ALS Courses offered to all F1s
- ATLS, APLS, PALS JETS offered to all F2s
- All expenses for flights to the UK, accommodation and course fees within budget are reimbursed.

Careers Advice

Workshops and career advice offered in Jersey by Barbara Wallis, NHS Education South Central’s Career Services Lead.

Foundation Programme Director(s)

Dr Andrew Brett, Foundation Programme Director
Dr Tim Malpas, Director of Medical Education

Education Centre Facilities

The Harvey Besterman Education Centre is a multidisciplinary centre. There are seven teaching rooms, with PowerPoint, broadband, smartboard, flip charts, and Xray machines. The Lecture Theatre seats 100 and has up to date equipment including video conferencing, powerpoint, DVD, single and dual Slide Projectors and elmo all activated by touch screen.

Terms and Conditions of employment

The post is subject to the Terms and Conditions of Service of Hospital Medical and Dental Staff as modified from time to time. Current copies of these Terms and conditions may be seen in the Personnel Office. All staff appointments are made subject to the receipt of satisfactory references and all initial appointments to the
national health service are made subject to satisfactory medical and police clearance being produced. A medical examination may be necessary on initial appointment and periodically thereafter.

<tr>
<th>Rotation information</th>
<th>Full information about the rotation, location and content of placements is given in an accompanying document.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Induction/shadowing</td>
<td>All trainees have induction for 1 day at the start of Foundation year. There will be a period of 5 days of shadowing for F1s commencing Wednesday 31st July 2013. During the shadow period F1 trainees are expected to complete their ALERT and mandatory training. Follow up assessments will be performed.</td>
</tr>
<tr>
<td>Start date</td>
<td>Wednesday 7th August 2013</td>
</tr>
<tr>
<td>Salary</td>
<td>The salary scale is in accordance with the current national rate and placement within the scale will be in accordance with previous reckonable service.</td>
</tr>
<tr>
<td>Annual leave</td>
<td>F1 doctors are entitled to 27 days annual leave in the year. The 27 days entitlement does not include the 8 statutory holidays. If the foundation doctor works any part of a bank holiday they are entitled to an additional days leave in lieu. In some specialties there is some restriction on when foundation doctors can take their leave during the 4 months (e.g. not on their ‘hot week’ for surgery). The individual directorates will inform the doctor of any specific restrictions on when they can take leave. Foundation doctors are required to book your leave at least 6 weeks in advance via the relevant Practice Manager.</td>
</tr>
<tr>
<td>Visa/Work permits/Leave to remain</td>
<td>The Trust will consider British /EEA nationals for appointment in the first instance. If the applicant is a non-resident of the United Kingdom or European Economic Union, they are required to have a valid work visa and leave to remain in the UK, which is renewed as required. The Trust is unable to employ or continue to employ the applicant/post holder if they require but do not have a valid work visa and/or leave to remain in the UK.</td>
</tr>
<tr>
<td>Accommodation and Charges</td>
<td>Accommodation is offered free of charge to all FY1s &amp; FY2s, with the exception of electricity and telephone the accounts are sent out monthly. Single and married accommodation is available. Married</td>
</tr>
</tbody>
</table>
accommodation is at a premium and for further information please contact Accommodation Services 01534 444280. The accommodation is only 2 minutes walk from the General Hospital and overlooks the parade gardens.

**Staff Restaurant Facilities**
There is a large canteen/restaurant and Special Functions room in the main hospital which serves excellent food. The menu is changed daily with a good selection of hot meals and salads. Also in situ is a friendly snack bar which is highly recommended for their sandwiches, and yoghurt pots. In the main reception area we have a coffee/snack bar open to all visitors.

**Doctor's mess**
The Doctors Mess is situated at the corner of the hospital, newly decorated, it consists of a Snooker Room, and Television Lounge with flat screen television and video, Newly fitted Kitchen with cooking utensils and Computer room with Broadband.

**Local Amenities**
The Hospital is close by to the Fitness First centre, which includes a swimming pool, weight training and various keep fit equipment. There are quite a few private fitness centres attached to hotels which you may prefer to join. Close by to the Hospital is the Waterfront where there is a cinema, various clubs, night spots and restaurants. The night life in Jersey is excellent for young people, with many clubs to visit. Jersey is famous for its restaurants; we have French, Italian, and Thai, Chinese, Indian, Polish and Portuguese restaurants.
