Future Aims/Developments

We are developing a comprehensive programme of Patient Safety training opportunities within and across specialties.

The Academy of Medical Royal Colleges will publish their Patient Safety curriculum in 2013 but the current Wessex programme matches their aspirations and current themes.

If you have any ideas or projects, please contact me to discuss.

Dr Julia Harris
Wessex Deanery Patient Safety Lead
www.julia.harris@uhs.nhs.uk or www.julia.harris@wessexdeanery.nhs.uk

Patient Safety in Core or High Specialty Training - Examples of patient safety activity:

**Paediatrics:**
- Child Protection training
- NLS

**Anaesthetics:**
- Simulation of failed airway drills
- Difficult airway kits
- Safe surgery check lists

**Emergency medicine:**
- Simulation of anaphylaxis
- Simulation of team working in resus
- Vulnerable adult protection training

**Surgery:**
- Consent
- Safety surgical check list

**Medicine:**
- This programme meets the requirements for the Royal College of Physicians “Learning to Make a Difference” Programmes

Patient Safety Training Development at Wessex Deanery

Every one of us in the NHS should make a difference to patient safety.

All doctors in training within the Wessex Deanery must provide evidence of patient safety activity in each year of training and have this signed off at their ARCP.

The programme for CT1/ST1 is called the “Patient Safety First” training day.

Dr Simon Plint
Postgraduate Dean
Patient Safety First Training Day for CT1/ST1 Trainees

All CT1/ST1 trainees in Wessex must attend The Patient Safety First training day. Dates are shown below for 2012/13.

<table>
<thead>
<tr>
<th>Date</th>
<th>Specialties</th>

<td>Anaesthetics (Feb Intake)</td>
</tr>
</tbody>
</table>

* GP Trainees in ST1 GP Placements must attend on these days. GP Trainees in Hospital Specialty Placements should preferably attend on their allocated Speciality days or if this is not possible may attend on one of the above GP Trainee days instead.

Please discuss with your Educational Supervisor and Rota Supervisor to agree which date you will attend.

How to sign up
CT1/ST1s—to book your place, please visit www.coursesandconferences.org.uk

Other training years - discuss at specialty training days and with your Patient Safety Leads.

All events are held at Southern House, Otterbourne and are free.

Patient Safety First Training Day for CT1/ST1 Trainees
Please come prepared to discuss a potential patient safety project
