Professional Clinical Skills for the General Practice Nurse

Funded places available for nurses working within NHS GP practices in Oxfordshire, Bucks, Berks, Hants, IOW, Dorset and South Wilts

The aim of this 15 week module is to develop a confident and competent General Practice Nurse, fit for purpose, with a range of relevant skills for caring with patients presenting to General Practice. The content will include cervical cytology, immunisations and travel vaccinations, venepuncture and ear care.

Successful students will be awarded 30 credits at level 6 that can be counted towards a BSc Health Care Practice Degree.

Start date: The module commences in February 2014 and attendance is one day a week on a Wednesday
Time 10.00-16.00

Venue: Bucks New University Uxbridge Campus

Cost: There are a limited number of funded places for GPNs working within NHS practices served by Health Education England Thames Valley (Oxfordshire, Bucks or Berks) and Wessex (Hants, IOW, Dorset or South Wilts. Early application is recommended as places will be allocated on a first come first served basis.
