</table>
| **Qualifications** | • MBBS or equivalent medical qualification  
• MRCP(UK) Part 1 or equivalent or MRCPCH Part 1 A and B or equivalent at time of application  
• MRCP(UK) full diploma or equivalent or MRCPCH by 7th August 2013 (for subsequent Rounds, the full qualifying exam must be obtained by the date of offers) | Application form  
Application form  
Interview / Selection centre / pre-employment check |
| **Eligibility** | • Eligible for full registration with the GMC at **time of appointment**² and hold a current licence to practice.  
• Evidence of achievement of **Foundation competences** from a UKFPO affiliated Foundation Programme or equivalent by time of appointment in line with GMC standards/ Good Medical Practice including:  
  o Make the care or your patient your first concern  
  o Protect and promote the health of patients and of the public  
  o Provide a good standard of practice and care  
  o Treat patients as individuals and respect their dignity  
  o Work in partnership with patients  
  o Be honest and open and act with integrity  
• Evidence of achievement of **CT/ST1 competences** in medicine at time of application & **CT/ST2 competences** in medicine (as defined by the curricula relating to Core Medical training) by the commencement of the ST3 training post (August 2013 or later), supported by evidence from work-based assessments of clinical performance (DOPS, Mini-CEX, CBD, ACAT) and Multi-Source Feedback or equivalent, ARCP or equivalent  
OR  
• Evidence of achievement of **CT/ST1 competences** in paediatrics at time of application & **Level 1 competences** in paediatrics (minimum 24 months in paediatrics and full MRCPCH, as defined by the curriculum) AND evidence of **CT/ST1 competences** in medicine by the time of by the commencement of the ST3 training posts supported by evidence from work-based assessments of clinical performance (DOPS, Mini-CEX, CBD, ACAT) and Multi-source Feedback or equivalent, ARCP or equivalent  
• Eligibility to work in the UK  
• Not previously relinquished, released or removed from a training programme in this specialty except under exceptional circumstances³ | Application form  
Application form/ Interview / Selection centre ²  
Application form ³ |
| **Fitness To Practise** | Is up to date and fit to practise safely | Application form  
References |

¹  "when evaluated" is indicative, but may be carried out at any time throughout the selection process  
²  The GMC introduced a licence to practice in 2009. Any doctor wishing to practice in the UK after this date must be both registered and hold a licence to practice at time of appointment.  
³  Examples might include ARCP outcome 4 or failure to progress after two or more failed RITA Es. Applications will only be considered if there is a letter of support from the Postgraduate Dean or designated Deputy of the deanery in which they worked. Should the Postgraduate Dean not support the application, appeal may be made to the Recruitment Lead whose decision will be final. The Recruitment lead may be the recruitment team at the office managing recruitment or at the deanery to whom you are making your application.  
⁴  A selection centre is a process not a place. It involves a number of selection activities that may be undertaken on behalf of the Unit of Application
### Language Skills
All applicants to have demonstrable skills in written and spoken English adequate to enable effective communication about medical topics with patients and colleagues demonstrated by one of the following:
- that applicants have undertaken undergraduate medical training in English;
- have achieved the following scores in the academic International English Language Testing System (IELTS) in a single sitting within 24 months at time of application – Overall 7, Speaking 7, Listening 7, Reading 7, Writing 7.
If applicants believe they have adequate communication skills but do not fit into one of these examples they must provide supporting evidence.

### Health
Meets professional health requirements (in line with GMC standards / Good Medical Practice)

### Career Progression<sup>5</sup>
- Ability to provide complete details of employment history
- Evidence that career progression is consistent with personal circumstances
- Evidence that present achievement and performance is commensurate with totality of period of training
- At least 24 months<sup>6</sup> experience in medicine or an ACCS<sup>7</sup> programme or equivalent (not including Foundation modules) by the time of commencement of ST3 training
  OR
- At least 24 months<sup>6</sup> experience in paediatrics and 12 months<sup>8</sup> experience in medicine (which must include experience in acute medicine), not including Foundation modules, by the time of commencement of ST3 training
- Not previously released or removed from a UK dermatology Specialty training programme<sup>8</sup>
- Not previously resigned or relinquished a national training number for dermatology specialty training except under extraordinary circumstances irrespective of the length of time in the training programme.<sup>9</sup>
- Does not already hold or eligible to hold a dermatology CCT and is not currently on the specialist register, or equivalent, in any other EU member state

### Application Completion
ALL sections of application form completed FULLY according to written guidelines

### Selection Criteria
<table>
<thead>
<tr>
<th>Essential</th>
<th>Desirable</th>
<th>When Evaluated</th>
</tr>
</thead>
</table>

---

<sup>5</sup> All experience in posts at any level count irrespective of the country the experience is gained in

<sup>6</sup> Any time periods specified in this person specification refer to full time equivalent

<sup>7</sup> An ACCS programme provides 6 months in Acute Medicine, Anaesthesia, Emergency Medicine and Intensive Care Medicine.

<sup>8</sup> Applications will NOT be considered if an ARCP Outcome 4 or RITA E. has been given at any point in a training programme.

<sup>9</sup> Applications will only be considered if satisfactory progress (ARCP Outcome 1) at the time of resignation/relinquishing the NTN has been demonstrated and there is a letter of support from either the Postgraduate Dean or Head of School in the Deanery in which they worked which confirms this:

Extraordinary circumstances may be defined as a demonstrated change in circumstances, which can be shown to impact on the ability to train at that time and may include severe personal illness or family caring responsibility incompatible with continuing to hold a NTN either through sickness absence, as a LTFT trainee or in a period out of programme.
| Qualifications | As above | • MRCP(UK) or MRCPCH at the time of application  
• Intercalated BSc or equivalent  
• Higher degrees including MSc, PhD or MD (where research thesis not part of first medical degree) | Application form
