| **The type of work to expect and learning opportunities** | All F1 doctors will take part in daily ward rounds as well as the day to day care of in patients on the firm. This will be a mixture of general surgical and colorectal patients. The firm undertakes a full colorectal practice as well as taking part in the general surgical on call every other week. There is a daytime commitment to the on call rota which involves clerking emergency admissions and preparation for senior review. The overall objectives for the F1 post are to be able to:  
- take history and examine a patient  
- identify and summarise problems  
- prescribe safely  
- document accurate and appropriate entries in the medical record  
- manage time and be able to prioritise appropriately  
- communicate effectively with patients, relatives and colleagues  
- use evidence, guidelines and local protocols to ensure best practice for the care of general surgical and colorectal patients  
- understand the enhance recovery programme and the importance of nutritional aspects of care in post surgical patients. |
| **Where the placement is based** | Salisbury District Hospital, Britford and Downton Wards. |
| **Clinical Supervisor(s) for the placement** | Miss Helen Chave  
Mr Andy Agombar  
Mr Graham Branagan  
Mr Simon Sleight |
| **Main duties of the placement** | The F1 trainee is responsible for the day to day care of in patients for the firm. The F1 doctor is also expected to attend daily ward rounds as well as weekly colorectal MDT and weekly Mortality and Morbidity meetings at which they are expected to present. The surgical on call rota is 1 in 9 for nights with Hospital at Night Team duties. There is also a day time commitment to on call on a 1 in 9 basis which involves clerking surgical admissions awaiting senior review. |
