<tr>
<td><strong>The department</strong></td>
<td>The Department of Surgery comprises 4 specialty areas of which there are 3 Consultants undertaking Vascular Surgery and 3 Consultants in Breast Surgery. The Vascular consultants and 1 Breast surgeon are part of the General Surgical on call rota and therefore have General Surgery in patients. The Breast Surgeons also undertake Endocrinological Surgery. All Surgeons practice minimal access surgery. The department serves the Salisbury area with a catchment population of around 200,000 and there are links with the tertiary referral services at Southampton General Hospital.</td>

</table>
| **The type of work to expect and learning opportunities** | All F1 doctors in this post will look after in patients under the Vascular and Breast surgeons. This will include a mixture of General Surgical in patients plus those with specialist Vascular and Breast pathology. They will also be expected to undertake pre admission clinic clerking and be involved in the General Surgical on call rota during the day and be part of the Hospital at Night Team at night.  

The overall objectives for the F1 post are to  
- take history and examine a patient  
- identify and summarise problems  
- prescribe safely  
- document accurate, appropriate and relevant entries in the medical record  
- manage time and be able to prioritise appropriately  
- communicate effectively with patients, relatives and colleagues  
- use evidence, guidelines and local protocols to ensure optimum management of general surgical in patients |
| **Where the placement is based** | Salisbury District Hospital, Britford and Downton Wards. |
| **Clinical Supervisor(s) for the placement** | Mr Saboor Ghauri  
Mr Charles Ranaboldo  
Miss Sarah Hulin |
| **Main duties of the placement** | The F1 trainee is expected to care for the in patients on their ward. They are expected to take part in the Multi Disciplinary Team meeting for the Vascular Team and also the General Surgical Morbidity and Mortality Meeting on a Friday morning. The on call is a 1 in 9 commitment which involves clerking surgical admissions in preparation for senior review. There is also a 1 in 9 rota for nights with Hospital at Night Team duties. |
| **Typical working pattern in this placement** | Typical working pattern in this placement:  

Daily: 0800 – Consultant or SpR Ward round.  
Mon: 1000 – Vascular MDT |
|       | Wed: 1300 – F1 CORE Programme Teaching  
|       | Thurs: 1530 – Pre assessment clinic.  
|       | Fri: 0800 – General Surgery Mortality and Morbidity Meeting where F1 doctors are expected to present.  
|       | 1245 – 1 in 4 Grand Round.  
| **On call requirements:**  | 1 in 9 as above.  

| **Employer information** | The employer for this post is Salisbury NHS Foundation Trust. The post is based in Salisbury District Hospital which is a medium sized acute NHS Foundation Trust and provides a range of secondary services for the local community of about 200,000. |

It is important to note that this description is a typical example of your placement and may be subject to change.
