| Learning opportunities | All FY1s are allocated a consultant educational supervisor and specialist registrar mentor. All FY1s are encouraged with the completion of their educational portfolio. The Trust provides regular teaching sessions and the Trauma and Orthopaedic department provides regular Monday lunchtime teaching sessions. Foundation program teaching consists of 2 lunchtimes lecture per week on Tuesday and Thursday up until Christmas, and Tuesday lunchtime after Christmas. In addition, there are monthly half day teaching sessions from September to June on the second Wednesday of the month. All Foundation posts are required to release trainees to attend teaching except in rare circumstances. |
| Where the placement is based | University Hospital Southampton NHS Foundation Trust |
| Clinical Supervisor(s) for the placement | Allocated Consultant Educational Supervisor and Specialist Registrar Mentor |
| Main duties of the placement | All F1 Doctors in hospital posts will be ward based during the ‘normal’ working day and expected to deliver the daily medical care of all the patients on their ward irrespective of specialty. Whilst in the Trauma and Orthopaedic attachment the F1 will be involved with clerking of all Trauma and Orthopaedic patients being admitted to the unit and the ongoing care of these patients. The overall educational objectives of the F1 year are to provide the trainee with the knowledge, skills and attitudes to be able to  
  - Take a history and examine a patient  
  - Identify and synthesise problems  
  - Prescribe safely  
  - Keep an accurate and relevant medical record |
- Manage time and clinical priorities effectively
- Communicate effectively with patients, relatives and colleagues
- Use evidence, guidelines and audit to benefit patient care
- Act in a professional manner at all times
- Cope with ethical and legal issues which occur during the management of patients with general medical problems
- Educate patients effectively

**Become life-long learners and teachers.**
